

December 12, 2023

Dear Patient,

I hope this letter finds you well. I write to inform you that I will be leaving Virginia Urology as of February 1, 2024. This decision was difficult to make given my 14 years of practice here at Virginia Urology and the dedication I have to my patients.

Virginia Urology is staffed with knowledgeable and caring clinicians. I am highly confident in the ability of my partners to continue providing you with the same high level of care and compassion you have received from me. For ease in your transition, you will receive communication from Virginia Urology of your rescheduled appointment with one of my colleagues. I leave knowing my patients are in great hands and I have the upmost confidence in the practitioners at Virginia Urology.

On a personal note, it has truly been my privilege to care for you and to serve the Richmond medical community. I appreciate your support and wish you continued good health. For any questions, please call or text 804-330-9105.

Sincerely,

Timothy J. Bradford, M.D.
