

GOOD HELP IS THERE WHEN YOU NEED IT

You're invited to a prostate cancer support group and seminar series...

What to Expect from Your Diagnosis, Treatment, and Recovery

- **During the first half of the meeting**, you'll hear from these local physicians about the latest prostate cancer treatment options: Daniel Pennington, MD, PhD; Christopher Chipko, MD; Greg Judy, MD; and Osman Siddiqui, MD (*Bon Secours Cancer Institute, division of Radiation Oncology, Radiation Oncology Associates, a division of Virginia Urology*).
- **During the second half of the meeting**, we'll exchange ideas and concerns during a candid and conversational Q&A.
- **In-Person Location:** Richmond Radiation Oncology Center
6605 West Broad Street, Suite G-201
Henrico, Virginia 23230

Meetings are the first Wednesday of the month, 6:30 – 7:30 pm.
